By Mack Sennett. ✓

MAY 28 1924 ✓

Harry Ostermoore has a Pop who is on in years - but Pop has young ideas and brings home a new Mamma, - about forty years his junior. Harry suspects that all is not on the level and his fears are quickly verified when shortly after the wedding the bride departs with Pop's bank roll. Harry trails her to sunny California where he finds that she has an old sweetheart with whom she contemplates making a happy future. Harry spills the beans and stops the wedding and brings the truant back home.
